The Art of the Florist personified

Thank you again for your query. We offer a full and competitive range of services with a large and experienced wedding team behind us. We can design, make and set up the flowers for any type of wedding, from an intimate small party, to a lavish ceremony and reception.

We feel that the wedding flowers for your special day should be chosen at leisure, so we ask you to book a consultation in advance with one of our design team. You can then spend time browsing through our portfolios and wedding magazines. If you have any samples or colours of dress material, or any pictures that have inspired you, please bring them along. This will help us to build up a picture of the type of wedding you have in mind. We also offer a home consultation service where you can relax in the comfort of your own home and enjoy a special wedding consultation.

BOOKING

To formally book your wedding we require a non-refundable booking fee of £75.00. This will be deducted from your final invoice. As we only undertake a limited amount of wedding work each weekend, early booking is essential.

PAYMENT

Your final invoice will be sent to you approximately six weeks before the wedding with the final payment due four weeks before the actual day.

We accept cheques supported by a bankers card and all major credit and debit cards.

HIRE CHARGES

A selection of glassware is available to hire. This is subject to a hire charge and deposit. The deposit is refundable upon the safe return of the items.

DELIVERY

Delivery to one address is included in our price. Extra deliveries will be charged at our standard rate.

OUR GUARANTEE

Alison O'Mara Floral Design will guarantee a highly skilled professional service providing wedding floral design, both contemporary and traditional using only the finest quality flowers. We are extremely proud of the testimonials we have received from previous weddings, so we invite you to come and see for yourself.
